

UHS is pleased to offer Physician ICD-10 Education to all providers in preparation for the transition to ICD-10 on October 1, 2015. The presentation will provide an overview of the code set changes and will review specific documentation examples and tips.

Click on the link provided below to access the Physician ICD-10 Education.

<https://www.brainshark.com/uhsinc/ICD10PhysicianEducation>

Please log in using your full name and facility. If you exit and restart the course, be sure to sign back in using the exact same name to avoid having to start over.

The image shows a registration form with the UHS logo at the top. Below the logo, the text reads 'Guestbook' and 'The author of this presentation would like some information about you.' It then says 'Click Submit when you have entered the requested information.' The form has four input fields: 'First Name*', 'Last Name*', 'Email', and 'Company*' (which is a dropdown menu with the text 'Please select an option'). A 'Submit' button is located below the fields. At the bottom right, it says 'Powered by brainshark'.

If you have any questions about other educational offerings at your facility, please contact your local HIM Director.
